, Read more about Miko Peled and his work and publications [here](#).

**Saturday Feb. 27 Time: 2-3:30 pm ET**

**Register here:** <https://us02web.zoom.us/meeting/register/tZMofuCprzwuH9F8iYTNzJcUSk9b3NM-rdna>

Attendees will have the opportunity to ask questions of the panelists.

### ***Beyond The Two-State Solution***

Jonathan Kuttab's new book is a short introduction to the crisis in Palestine-Israel, which has been characterized by the competing visions of Zionism and Palestinian nationalism. While many thought the two-state solution would offer a resolution, Jonathan explains that the two-state solution (that he supported) is no longer viable. He suggests that any solution be predicated on the basic existential needs of the two parties, which he lays out in exceptional detail. He formulates a way forward for a one-state solution that challenges both Zionism and Palestinian nationalism. This book invites readers to begin a new conversation based on reality: two peoples will need to live together in some sort of unified state. It is balanced and accessible to neophytes and to experts alike.
